

**641—162.19(135) Exemptions to rule 641—162.20(135).**

**162.19(1)** The department shall exempt problem gambling treatment programs that hold a valid license under 641—Chapter 155 from all the standards required pursuant to rule 641—162.20(135), except for the standards set forth in the following subrules:

- a.* 162.20(6), Personnel;
- b.* 162.20(7), Child abuse, dependent adult abuse, and criminal history background checks;
- c.* 162.20(8), Client case record maintenance;
- d.* 162.20(9), Client screening, admission and assessment;
- e.* 162.20(15), Sentinel events;
- f.* 162.20(16), Quality improvement; and
- g.* 162.20(20), Financial counseling.

**162.19(2)** The department shall exempt problem gambling treatment programs accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) from all the standards required pursuant to rule 641—162.20(135), except for the standards set forth in the following subrules:

- a.* 162.20(6), Personnel;
- b.* 162.20(7), Child abuse, dependent adult abuse, and criminal history background checks;
- c.* 162.20(8), Client case record maintenance; and
- d.* 162.20(9), Client screening, admission and assessment.

**162.19(3)** The department shall exempt problem gambling treatment programs accredited by the Council on Accreditation (COA) from all the standards required pursuant to rule 641—162.20(135), except for the standards set forth in the following subrules:

- a.* 162.20(6), Personnel;
- b.* 162.20(7), Child abuse, dependent adult abuse, and criminal history background checks; and
- c.* 162.20(9), Client screening, admission and assessment.

**162.19(4)** The department shall exempt problem gambling treatment programs accredited by the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) from all the standards required pursuant to rule 641—162.20(135), except for the standards set forth in the following subrules:

- a.* 162.20(6), Personnel;
- b.* 162.20(9), Client screening, admission and assessment; and
- c.* 162.20(20), Financial counseling services.

**162.19(5)** The department shall combine the scores for all programming, administrative and clinical standards into one score for the licensure weighting report for those problem gambling treatment programs exempted under this rule.
